

MINUTES

Virginia Carolinas Morgan Horse Club
April 20, 2013
Farmville, NC

The 2013 Spring meeting of the Virginia-Carolinas Morgan Club was held April 20 at the home of Linda Sewall in Farmville, NC. The meeting was called to order at 1pm by president, Dini Swanson.

The minutes from the November meeting are to be posted on the club website-corrections or additions should be sent to secretary, Betsy Buchanan.

The Treasurer's report was presented by Andrée Vetrano in Rob Marsh's absence. The current balance:

1) General account	\$265.94
2) SCRIP account	\$343.68
3) PayPal account	<u>\$159.60</u>
Total Assets	\$769.22

The IRS penalized the club \$4,000.00 but Rob sent a letter of explanation and the \$4,000.00, which had been paid, was returned to the club.

COMMITTEE REPORTS:

Show Co: Andrée reported that Fred Nava is now in hospice care. His Southern States files have been sent to Andrée and Matt Kwapich, his assistant at Grand National in 2012, who will be in Raleigh in May to serve as show manager. The manager position for the future will be determined after the show.

Newsletter: Andrée reported she has had too much to do to get the newsletter out before this but wants to get one sent out before the show.

Program: The summer meeting will be held at Flintlock Farm in Chapel Hill on Saturday August 24.

At this point it was noted that three VC members had USEF Horse of the Year National and Regional winners for 2012 – Mary Daughtry, June Davis and Betsy Buchanan all received a box of ribbons and awards.

AMHA 2014 Convention: Dini reported that the Austins have agreed to donate bags for the participants this year. There was discussion of the silent auction. Andree will work on getting local products with a minimum of \$250 value. Mary Buchanan volunteered to help with the auction. Ideas suggested for the banquet entertainment included Lizard Lick Towing Co, having a military attendant, and a Spivey Corner's Hollerer. We will want to have vendors – Marsha De Arriaga, Commotions and Dover Saddlery are definite possibilities. We will also need speakers and clinicians. Smith Lilly was suggested,
